We are fortunate to tell you good news!! We have a wonderful opportunity to beautify and fix Mikvahs throughout the entire world, including the beauty of outside and inside the Mikvah (lighting, showers, sofas, etc.). This will encourage many Jewish women to utilize this great mitzvah. We have a list of questions that you should respond to and return to us in the enclosed envelope. We will be able to serve our applicants according to the order we receive them. This opportunity will be free of charge, as we have sponsors who are willing to fund the project.

Very truly yours,

A.W.
